# 福崎町 Fukusaki

柳田國男のふるさと福崎町は  
どこか懐かしい故郷を感じさせる町。  
角を曲がれば、あのころの自分に出会えるかも。  
特産のもち麦を使ったグルメに、  
心もおなかも満足です。

Kunio Yanagita's hometown of  
Fukusaki has a somewhat nostalgic feel.  
It's as though you're meeting your former self  
when you turn the corner. Satisfy both your stomach  
and your heart with the local cuisine,  
made with the locally grown glutinous wheat.

三木家は、姫路藩の大庄屋をつとめました。現存する屋敷は当時の面影を残し、江戸時代の屋敷構えとその生活の一端をうかがう貴重な資料です(県指定重要文化財)。また、柳田國男が幼少期にここの本を自由に読みあさり、後の博識を最初に培った場所であるといわれています。2021年11月に日本で初めて重要な有形文化財の一部を宿泊施設として改装しました。

The Mikike served as the Ojoya of the Himeji domain. The existing mansion retains the remnants of those days, and is a valuable document that gives a glimpse of the mansion stance and its life in the Edo period (important cultural property designated by the prefecture). It is also said that Kunio Yanagita was the first place to cultivate his knowledge in his later years by freely reading the books here when he was a child. In November 2021, we renovated some of Japan's first important tangible cultural properties as accommodation facilities.

## 無数の沙羅が咲く花の寺 應聖寺(沙羅の寺)

A temple surrounded by countless blooming sal flowers Osyoji (Sarah temple)

☎0790-22-1077

大小約200本もの沙羅の木が茂る「沙羅の寺」として名高い應聖寺。今から1300余年前、天竺の高僧法道仙人によって開基されました。沙羅の花は6月中旬から7月初旬にかけて、境内のあちこちで白く可憐な花びらを開きます。「平家物語」の冒頭でも知られるように、朝に咲き、夕方には花を落とす珍しい一日花です。本堂・書院裏には「名勝應聖寺庭園」(江戸時代初期・県指定文化財)が広がり、11月下旬～12月上旬には見事な紅葉を見ることができます。

Osho-ji is known as the "Sarah temple", thanks to approximately 200 shala trees of all sizes that grow around it. It was founded over 1300 years ago by the hermit and high priest Houdou of Tianshu. The sal flowers bloom from mid June to early July, spreading their lovely white petals throughout the grounds. They're famously fleeting flowers that last only a day, blooming in the morning and dropping their petals at night, and are even mentioned in the opening to "The Tale of Heike". Behind the main temple building and study is the "Scenic Spot Osho-ji Garden" (created in the early Edo period, and a designated prefectural cultural asset), and from late November to early December you can see an incredible display of fall leaves.
